I received a collection of Gladioli bulbs from you. They sure were the finest colors I ever saw, and I am 64 years old and always had Gladioli and some fine ones, too; but yours have got them all beat. God bless you with your pretty flowers.

A. L.

Arlington, Mass.

Let me thank you for the fine Gladioli bulbs you sent me. They came up strong and sturdy.

Mrs. H. S.

New Britain, Conn.

I sent to you for Gladioli bulbs last year. Every one came up and I never saw anything so lovely and such large flowers in my life. The colors were exquisite. I bought Gladioli from two other concerns, but yours were the best by far.

E. B.

Laparte, Sask., Canada

The assortment of Gladioli I got from you were the most beautiful I had ever seen. Many others made the same remark and some had traveled from coast to coast and also in the U. S. The flowers were like wax and as large as saucers. I am sending for a permit so I can get more this year.

Mrs. D. F.

Anaga, Kans.

Send me your catalog. I get plants and seeds from you each year and like them so much.
